About:

- 1992 Marty & Chrissy
- Design school at Florida State University
- Lots of energy and creativity but little \$
- 2000 Savanna & Hannah and owner of Linda McDonald Design
- New home but still little \$ so creativity stretched
- 2014 Life on Summerhill
- Summer: hot living room Hill: small hill
- Today: semi-retired from design, blogger, wife and mother of daughters, 1 cat and 1 rabbit.

What is your décor style?

- Many people don't know their design style
- Beauty is in the eye of the beholder
- Find what makes you feel special and content
- Tips to find your style
- You can either have an exact style or you might be eclectic

How to find your design style?

- Magazine and or Pinterest
 - Look for things you like or whole rooms
 - Make notes with the pictures of what you like
 - Have fun playing! Don't think about what anybody will think
 - Look for common elements
 - Color (minimal, just walls, accessories only, everywhere)
 - Feeling (cozy, relaxed, energized, or nostalgic)
 - Less is more or lots of stuff
 - Where is your happy place? (beach, mountains, city, antique store, Disney World)

Décor Personality

- Now describe what you think is your décor personality is in three words
- Discuss amongst your table about your personal décor style
